

Browney Academy Sports Premium 2019-2020

The Sports Premium allowance for the academic year 2019-2020 for Browney Academy is £17,140.

At Browney Academy we believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on pupil's engagement, concentration, attitude, and achievement of all our children.

It is important to us at Browney Academy that our Sports Premium funding is spent in a sustainable way which actively promotes sport and physical activity, encourages children to participate, increases pupil engagement and has a positive impact on pupil's physical fitness, healthy lifestyles, skills and behaviour.

We do this by:

- Investing in our staff CPD through coaching provided by specialist sports coaches and specialist P.E. teachers
- Using the expertise, we have within our own staff to support, coach and train other members of staff
- Using the funding to make it possible for our children to participate in sports competitions and tournaments during and outside of school time
- Introducing fun and innovative physical activities to the school to ensure all children are engaged
- Supporting the provision of sports clubs before and after school
- Training children to run sporting activities for other children to participate in
- Monitoring the impact to inform future spending
- Purchasing sports and playground equipment to support active learning

It is our aim by providing the above that children will leave Browney Academy motivated and physically equipped to take part in sport and physical activity in their future lives. We achieve this by constantly developing the PE and sport activities we offer at Browney Academy. We are passionate about health and wellbeing and aim to use the Sports Premium this year will build on our strong PE and sport offer to ensure that developments benefit not only pupils attending school currently but also those joining the school in future years.
