

## A guide to using PANDA

**PANDA** is our new Online Learning Platform. It has everything you need to know about virtual learning, for all year groups and all subjects – in one place!

Our online learning platform can be used if your child is self-isolating or if a class bubble must close.

Each year group will be uploaded weekly to ensure the children have access to the same learning, regardless if they are at home or school.

\*Please note this is work in progress and will be added to weekly.

## 1. Please use the following link to access PANDA https://nelearningtrust.sharepoint.com/student/panda

You can also find a link on our school website http://www.browneyacademy.co.uk/curriculum-1/home-learning

2. Click on your child's year group.

2 .....

North East Learning Trus 3. Click on Home Learning

- 6. You will also notice on the year group page, in the top right corner, quick access to our most used apps.
  - These include: Purple Mash, Teams, Scopay, Class Dojo, BBC Bitesize, Oak Academy and Classroom Secrets.
  - The teacher's Virtual Planning may direct you to learning on these websites.

## 7. In the subject sections you can find the following:

- Subject specific apps you may need your child's password details (sent home in Sept)
- Knowledge organisers helpful hints for what your child is learning
- Resources extra resources for learning or parent support

## 8. Completing work

- If a class bubble is isolating your child will be sent home with two exercise books for the following subjects: English / Topic and Maths
- Answers for self-marking will be provided by teaching staff in the event of a bubble closure.
- All completed work for self isolation or bubble closure to be photographed (if possible) and added to your child's class dojo portfolio for teaching staff to give feedback.
